Core: Operating system, DBMS,OOPS.
Soft Skills: Leadership, Event Management, Designing, Sports,InfoPreneurship
Computing: Quantum Computing(Basics)

PROJECTS

Chatter App

- A Real-Time chat application with multiple custom rooms and user sign-up functionalities. Oct 2024
- Used to implement the real-time functionalities by sending triggering and monitoring events on a topic-subscription based model.
- The front end has been built using ReactJs to implement live state-change handling on (send/receive) message events.
- Tech Stack: **ReactJs, NodeJs, ExpressJs, Socket.io Library.**

IP-Address-Tracker

- Discover the location, timezone, and ISP of any IP address with the IP Address Tracker! This webpage allows users to view the optimal layout for each page depending on their device’s screen size, see hover states for all interactive elements on the page, and even find their own IP address on the map on the initial page load.
- Build an interactive interface for users to input any IP address for tracking.
- Display the tracked IP address location visually on a map.
- Tech Stack: **HTML,Css,Javascript,ReactJs**

Book Master

- Design a user-friendly system for saving and managing website bookmarks.
- Allow search and filter capabilities for quick access to saved bookmarks.
- Ensure a responsive and clean UI for both desktop and mobile views.
- Tech Stack: **HTML, Css, Javascript, ReactJs .**

Sorting Visualizer

- Designed an interactive visual tool to demonstrate sorting algorithms (DSA-based).
- Strengthened algorithmic thinking through visual representation of common sorts.
- Enabled performance comparisons between multiple sorting methods.
- Tech Stack: **HTML, CSS, JavaScript.**

ACHIEVEMENTS

- Leetcode **Max-Rating 229449: 1655**
- GFG **rating : 990**
- 500+ solved questions on various competitive platforms.
- Have a experienced certificate from health startup (MSME VERIFIED)
- Played chess at district level

POSITIONS OF RESPONSIBILITY

Volunteer

Robotix club, NIT Raipur Dec’23-Feb’24

- Just manages to conduct activities in proper decorum manner.

Campus Captain

Gokuldas Public School,Khargone Jul’19 - Mar’20

Volunteer

Turing Club Of Programmers, NIT Raipur Oct’23-Nov’23

•

MISCELLANEOUS

- 1500+ solved questions on various competitive platforms.
- Played chess at district level
- Build a tic-tac-toe game just play for fun.
- Having knowledge to handle hedge funds.
